Empire Energizer

Sheringham Shoal Offshore Wind Farm - North Sea, England

Empire Energizer Community Update

March 13, 2023

Dear Neighbor,

It's been a busy two weeks here at Equinor! To those of you who listened in, asked a question, or submitted a comment during New York State's Article VII hearings: **Thank You.**

Your feedback is important to us and valuable to the progression of the Empire Wind 2 project. We know you lead busy lives and we are grateful that you took the time to participate in an important part of New York State's process of considering the project.

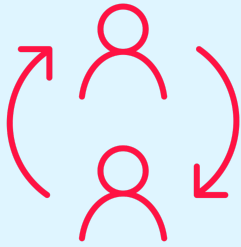

We on Equinor's Long Island Stakeholder Engagement team look forward to your continued feedback and community involvement in the development of Empire Wind 2.

Again, we appreciate your time and commitment to participation in this process and encourage you to keep in touch.

Sincerely,

Susan Lienau
Community Engagement Manager, Long Island

Kerri Ann Souto
Community Engagement Coordinator, Long Island

We want to hear from you!

Any comments, thoughts, or questions you may have **please email us at empirewind@equinor.com**. We're dedicated to ensuring our projects are developed with continuous dialogue and feedback from our communities.
