Subject: Introducing the Empire Energizer Community Update

Introducing Empire Energizer

February 10, 2023

Hello Neighbor,

As we welcome 2023, the Equinor team wishes to reaffirm our commitment to you, our valued community partner.

Since the start of the Empire Wind project, we at Equinor have been engaged throughout the community by speaking with residents, local officials, and community leaders to learn about the values shared throughout the community and identify the project's impacts. We are also proud to have supported various local organizations in their programming.

At the close of 2022, we hosted two extremely productive community meetings in Island Park and Long Beach which provided our team with a great deal of helpful feedback. Thank you to everyone who attended, we appreciate the interest in the project and the feedback that we received. We have been reviewing the community's questions and are looking forward to sharing project highlights with you. Additionally, your feedback has enabled us to develop our 2023 engagement plan to ensure transparency in our work, accessibility to our team, and engaging discussions with the community.

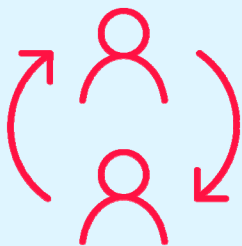

As part of that plan, we are thrilled to announce the launch of “*Empire Energizer*”, a community update that will provide information on the progress of Empire Wind 2, frequently asked questions, project highlights, and overall community news. In addition to attending events and meetings around the community *Empire Energizer* will keep us connected to the community.

Please keep an eye on the [Empire Wind](#) website which contains a new Community page with details on upcoming events, public notices, and dates for upcoming permitting public hearings.

On behalf of the Long Island Equinor Team, we look forward to a productive year, and we hope to see you while we are out and about in the community. Whether it’s feedback, a question, or simply to say hello, we love to hear from you! Please feel free to email us at empirewind@equinor.com.

Your Community Partners,
Susan Lienau
Community Engagement Manager, Long Island

Kerri Ann Souto
Community Engagement Coordinator, Long Island

We want to hear from you!

Any comments, thoughts, or questions you may have **please email us at** empirewind@equinor.com We're dedicated to ensuring our projects are developed with continuous dialogue and feedback from our communities.

Equinor's Ambitions
